

The APAC Leading Network to Deliver Edge As a Service

Contact us at sales@cdnetworks.com or visit cdnetworks.com

About Us

CDNetworks is an APAC-leading network with over [2,800 Points of Presence \(PoPs\)](#) spanning over 87 countries and regions. We deliver fast, secure, and reliable digital experiences at the edge. Since our founding in 2000, we've expanded our global presence with 14 offices and 10 R&D centers across the UK, US, Singapore, Malaysia, Vietnam, Japan, Korea, and China—ensuring strong local support wherever our customers operate.

We provide 100% network coverage in emerging markets, including [Southeast Asia](#), [South Asia](#), [Latin America](#), [the Middle East](#), and [Africa](#). Backed by over 25 years of experience and strong local teams, CDNetworks is your trusted global partner in delivering business success across Asia and beyond.

&
SULLIVAN**

Named a Leader in CDN Market

CDNetworks has been named a top player in F&S Total Cloud-based WAF Solutions Market and received the 2023 Customer Value Leadership Award for WAF

Trusted By Global Companies

Mr. Nguyen Manh Toan
Head of OTT at VSTV (K+)

Partnering with CDNetworks has transformed the way K+ operates. Their deep understanding of our business and challenges enabled us to develop a tailored solution that improves the overall viewing experience for our audience."

Mr. Andy Tseng
Sr. Engineering Director at 17LIVE

CDNetworks has been our trusted growth partner since 2016. Their services continue to play a critical role that empower us to meet the increasing demands of our growing business year after year."

Mr. Tran Minh Thang
CIO at Petrolimex Aviation

Choosing CDNetworks was a pivotal step in advancing our digital security. Their AI-powered, cloud-based protection solution not only boosts performance but also guarantees uninterrupted delivery of our online services."
